

**Wind Abatement System
Five-Year Limited Warranty**

Cat 5 Hurricane Screens LLC warrants against defects and/or workmanship under conditions of normal use for a period of one year from the date of installation without charge for repairs and/or replacement including parts and labor of items found to be defective during that period.

This warranty specifically applies to products that prove defective in normal use or become damaged during a hurricane. This warranty does not include hoods, tabs or grommets.

This warranty is void with regard to parts that have been modified without approval of the warrantor, subjected to abuse, including deployment for more than 30 days per year, neglect, or accidental causes including but not limited to fire, flood, acts of god, or war.

This warranty is the only warranty and replaces any other whether expressed or implied.

The warrantor reserves the right to inspect, repair and/or replace any defective part which is covered by this limited warranty or at its option to authorize the inspection, repair and/or replacement of defective parts by its appointed agent. Unauthorized service will void this warranty.

This warranty is specific to the installation address and remains valid through changes in property ownership at that address.
